

No Shame! Only Power

Tired of struggling as a Christian? Feeling defeated and wondering if you will ever get it right? Be encouraged today and know that the walk of success has already been laid out for you. Jehovah God never intended for us to walk this journey alone. Never! That's why He sent us the Holy Spirit, our Comforter, to give us strength and inner guidance. Now it's our responsibility to be accountable and do our part to experience it. In *No Shame Only Power*, author Valderine Newton-Knowles offers practical steps to help you walk in the power of God, showing that from the beginning, you were born to win. The Apostle Paul spoke often of the power of God, and he spoke because of his personal experiences. Now it's time to take your personal experiences and begin a daily diet on the word of God. It is the only thing that has the power to strengthen your spirit and accomplish that which seems impossible.
