

Now or Never [Club Aries 3] (Siren Publishing Classic)

[Siren Classic: Erotic Contemporary Romance, HEA] Travis Holt was a driven man, focusing on his budding career within Franklin Construction, climbing to the top of the corporate ladder as he pursued his dream of eventually leaving Club Aries behind him. His life was finally coming together after eight years of dancing on stage, but he didn't count on the blonde bombshell known as Katie Jacobs disrupting that one-way track into something he hadn't foreseen. Katie was reckless and impulsive, but the background check she had her father perform to make certain Travis wasn't some rapist unleashed a chain of events that saw Katie being kidnapped. Travis then races against the deadline given by gang members associated with Teryl Davis. He has to come to terms with his issues with Katie's father to rescue her and confess that he isn't ever letting her go. ** A Siren Erotic Romance
