

Oh No Lord, Not a Book

This book was given to me by God. All I had to do was listen to his voice. The first poem, AN OLD FRIEND, God gave to me at the beach. One minute I did not know this poem and the next thing I knew I was reciting it to myself wondering where it was coming from. Even then I had no idea that He would ever ask me to write a book. In the book I tell how that came about. All I can say is that if God wants you to do something He will use any means to get the message to you, even the television.
