

Kingdom Praying Vol. I

The Lords Prayer must be the most well-known prayer in all of mankind's history. How many billions of people have prayed in this manner for the last two thousand years? But what is not so well-known is that after the prayer was laid out to the disciples, Jesus Christ took each element from it and detailingly explained what it involved in the same sequence in which it is found in the prayer, itself! The Lords Prayer is followed by detailed instructions! By the time He finished explaining the details of the prayer, Jesus said those who seek the Father in this manner, covering all these bases, will live an absolutely indestructible Christian life. Taken from the Sermon on the Mount, the Prayer and the following explanation by Jesus takes up almost exactly one half of the entire Sermon. Its that important! Unleash the power of Gods Kingdom in this world as you learn Kingdom Praying!
