

Out of the Woods

The fun fair is in town! With its clouds of pink candy floss and whirling big wheel, what child could resist such temptation? Little do the Eden sisters know that they are being lured into a wicked witch's lair. . . . Belladonna wants Auroras heart and Storms all-powerful musical pipe, and she will stop at nothing to get them. Driven by vanity and greed, she makes a truly formidable adversary. After escaping from a deadly game of hide-and-seek in the enchanted fair, our three heroines flee through the woods, with several ravenous wolves and a sweet-toothed lion hot on their heels. Now they face their biggest challenge yet: a treacherous journey into the Underworld. For only when the pipe has been safely returned to the land of the dead will the Eden sisters truly be out of the woods. . . .
