## Over the range to the Golden Gate:: A complete tourists guide to Colorado, New Mexico, Utah, Nevada, California, Oregon, Puget Sound, and the great Northwest,

It is no light undertaking to prepare a guide-book which shall adequately describe the places of interest on the great trunk lines between Denver on the hither side of the Rocky Mountains, San Diego at the southern extremity of California, and Portland, Seattle, and Tacoma, the three commercial entrepots of the Great Northwest. Yet such is the undertaking proposed.
