

## Patina: A Story about the Beauty of Things Broken and Imperfect

When Arden, Ryans beautiful, vibrant and seemingly perfect TV personality sister dies in an unexpected accident, Ryan is left questioning her own lifes path and longings of her heart. But some of her hearts greatest desires are deeply kept secrets that she fears would hurt those around her, including her sisters former fiance Porter. As they begin to face their grief and heal, Ryan and Porter feel drawn together by a force outside themselves, and uncover more about the Arden they thought they completely knew-but can they find peace in one another without tarnishing Ardens memory? Although Arden is lost and both her sister and fiance feel great pain, God uses pain with purpose. Turning to faith, Ryan and Porter may be able to honor Ardens memory while also allowing themselves happiness again in this life-together and as individuals, strong in the Lord. Will Ryan and Porter allow God to put the pieces of their broken hearts back together to create something new and authentic? Are the losses, hurts and pains of life really used for a divine plan? Sometimes losing what seems like everything, allows God to rebuild a life Patina tells a story of the healing power of love and of the ways in which God works all for good in the lives of those who believe, bringing us to a place we never could have imagined.
