

Tips & Tricks For Boomer Chicks: A Survival Book for Retirement Years

Enjoy your retirement! This fun book for baby boomer women offers good, sassy (and sometimes outrageous) advice for women retirees and those approaching retirement. Filled with retirement advice just for women, it is accented with cartoons that add extra spice to good advice. All sorts of topics are covered, from how to prepare yourself emotionally as well as physically for those challenging years ahead, to handling your personal relationships, to simple ways to get your budget in shape before the big event. There is even a special situations section that covers topics no one else talks about. Written especially for baby boomer women by a baby boomer woman, you will enjoy this lighthearted, practical look at retirement. Don't just survive the challenges that lie ahead...thrive!
