

Pioneers of California: True Stories of Early Settlers in the Golden State

Donovan Lewis explores the anatomy of California's past in sketches of 50 pioneers, both Anglo and Mexican. Besides major figures. . . he includes supporting players. These stories clearly show the diversity of California's pioneers. . . concise biographies are well researched and very readable, yielding enjoyment as well as information. One can read the book from beginning to end, dip into it chapter by chapter, or keep it close at hand as a valuable reference.
