

Plain-Jane Princess (Mills & Boon Intrigue) (How to Marry a Monarch, Book 1)

Incompetent! She couldn't cook, clean or operate the dishwasher. But Steven Koleski had to admit the mysterious woman did have a way with his newfound family and his lonely heart. It was the opportunity of a lifetime for Princess Sophie of Carpathia: two weeks of living like a regular person. On top of that, caring for children was her passion. But with five of them tugging on her heartstrings and their sexy guardian bestowing fiery kisses on her, how could she ever return to life as a princess when her fairy-tale ending was right here right now?
