

Play with Fire Study Guide: Discovering Fierce Faith, Unquenchable Passion and a Life-Giving God

In this five-session video based Bible study Bianca Juarez Olthoff delivers a bible-infused message that will help women gain new insight into Gods character, discover the personal and powerful nature of the Holy Spirit, and understand the unique fire God places in each person, helping them to fulfill their God-given calling and Kingdom purpose. Fire can burn and destroy but it can also refine and bring beautiful new life. In each powerful video session you will be reminded, or perhaps learn for the first time, that God has HUGE dreams for you. Hes whispering in the wind and speaking through the fire and shouting in silence the extraordinary dream He is birthing in you. His dream for you is far greater than the dream you have for yourself. Its not your identity or income or influence that will make this happen. Like Zechariah 4:6 says, Its not by might nor by power, but by my Spirit, says the Lord.God isnt waiting until you have more resources or a husband or a job so he can use you. He can use you now. Stop asking when you are going to get your gifts or talents or calling and see whats in your hand. You need to play with some fire.
