

Beyond Belief: Jesus Saved You...Now What?

SALVATION IS ONLY THE BEGINNING . . . Does your life look the same as it did the day you put your faith in Jesus Christ? Or have you discovered the power of the Spirit within you enabling you to live a holy, righteous life? For that matter, is it even possible to be holy? Many Christians today are wading in the shallow end of the infinite relationship God desires to have with His children. They are strangled by addictions and idolatry, or distracted from the pursuit of spiritual maturity by a cheap imitation of moralism. Whatever the reason, their spiritual growth has been stunted; they've never gone beyond mere belief in Jesus Christ. Beyond Belief: Jesus Saved You...Now What? explores what God has in store for you and what He wants from you. With a firm foundation on the centrality of Christ, this book will help you see exactly who you are and what you are called to, based on, and enabled by, His righteousness alone. Through intense study and humbling application of both the Old and New Testaments, Beyond Belief, will show you what a mature Christian life looks like and what it takes to get there.
