

Welcome A Personal Guide to Hosting on Airbnb

Airbnb is a web-based community marketplace where guests can book accommodations from hosts, it connects people who have space to spare with those seeking lodging. Every property is associated with a host whose profile includes recommendations by other users, reviews by previous guests, as well as a response rating and private messaging system. All payment is through the website and once a reservation is completed, both host and guest can review each other to build a reputation in the community. Welcome! A Personal Guide to Hosting on Airbnb provides you with all of the guidelines to be a host on Airbnb?
