She was on the run. Emily Baxter has been running from a stalker determined to catch her. By chance she hears of Maxwell Secures and decides to fight one last time. Not realizing her biggest battle will be with herself. They were hired to protect her. Dane Johnston and Cooper Sheppard always knew they were meant to share a woman. They never anticipated the blond bombshell that was thrown their way. In need of protection, they jump at the chance to help. He wanted her for himself. Will they be able to protect Emily when she needs it most? Or will her stalker finally get what he wants?
