

God Speaks: And He Wants To Talk To Us (How To Walk With God Daily Book 2)

The Bible says My sheep hear my voice, and the voice of another they will not follow. John 10:27 Some say they dont hear God. Others hear what they want to hear. God loves us. He wants us to hear Him, not to wander around trying to figure things out by ourselves. Most Christians hear God but just dont recognize His voice.

Its kind of like meeting a new friend and getting to know them. At first we might not recognize their voice when we hear it on the phone. We have to get to know them a little. After we become more acquainted with them we usually recognize them instantly. As I read the Bible and something I read causes me to connect with a situation in my life, I realize God is speaking to me. I underline that part of the Scripture and put the date next to it, verifying that it was a promise from God on that day. If you have a problem with this sort of thing, you arent the first. Ask God to make it clear for you. Let Him answer your questions. I cant explain Him or His ways. I love Him and I cant deny His voice. John 16:13-15 When the Spirit of truth comes, he will guide you into all truth. He will not be presenting his own ideas; he will be telling you what he has heard. He will tell you about the future. 14 He will bring me glory by revealing to you whatever he receives from me. 15 All that the Father has is mine; this is what I mean when I say that the Spirit will reveal to you whatever he receives from me. NLT Note: The Holy Spirit guides us into all truth in many different ways. He knows us personally. Therefore, He knows just how to get His message to us. He knows what will get our attention. He uses our conscience, the Bible, nature and anything else that will get our attention and convince us of His truth.

Are You Hearing Gods Voice? Five Ways You Can Hear God Speak Often when people ask this question, they are
