

Psalm Glad Morning!: A Daily Journey of Joy through the First Book of Psalms

Finding joy in life isn't easy. Happiness happens when the circumstances line up in our favor, but much of our world doesn't do that on a regular basis. Joy centers on something, or actually Someone, completely different. The Psalmists knew this as they wrote about the Father of Lights who does not change like the shifting shadows of politics, economic development, personal relationships, and even personal health. They focused on the God behind the circumstances and in so doing, found a more permanent positive place--Joy. This book takes the reader on a very personal conversational journey in often real life illustrations through the first book of Psalms, bringing new light to old truths. If your world is spinning out of control, this 41-day challenge will help you refocus on the Anchor that can change all things through some of the most beautiful poetry ever written. Grab a Bible and get ready for an adventure that will be transformative! Enjoy the journey!
