

Boarding House for Men: Hot Gay Erotica

Ad for Dicks Boarding House: You must be straight, clean, with a good body, well-endowed and love to be serviced. No reciprocation is expected. Call for an appointment. Ask for Dick. Dick is gay and simply loves servicing men, taking any opportunity that comes his way. Fresh out of college and armed with a hefty inheritance, he decides to make his own opportunities. He buys a 6-bedroom house and places an ad in the newspaper looking for straight male boarders in particular, men who love getting serviced! Dick receives several calls after placing the ad. First is Cliff, a college student looking for a place to stay for a month. Then there's Erik, a married railroad worker who also appreciates the attentions of men. The third boarder is Peter, a straight marine who could also do with some male loving. Dick gets to know his boarders intimately during their heady sessions. And when twins Don and Ron come into the picture? More than ever, Dick has no shortage of men to pleasure! *For mature audiences.
