

Digging in the Word: A Guide & Journal For Bible Study (Girls Edition)

Do you find it difficult to open the Bible and understand it? This book is a unique tool designed to help you open to any passage of the Bible and understand how to read and apply the Scriptures. The book includes three months of interactive journaling pages to guide each reader toward digging in the Word and uncovering its treasures. From children to teens to adults, every reader can develop a regular rhythm of Bible reading with this guide and journal. Studying the Bible in this interactive way allows the reader to learn the truest things about God that will inform a gospel identity that moves you to action.
