

## Abbys Heart (Bryant Station Curves Book 3)

Fifteen years ago, Abby found the man she knew was her other half, her mate, but he shattered her heart with his betrayal. Surrounded by her family and her step dads pack, she has built a life and a successful restoration business, but one thing is missing from that life her mate. Fifteen years ago, Skylar Anderson found and lost his mate. Now, he and his bear are slowly tearing each other apart, both desperately lonely and needing their mate. Fate brings the two back together when Abby takes on a multi-million dollar restoration project in Bryant Station. Not only does she find her mate, she also finds the evil that drove them apart years ago an evil that has decided she will die. Novella (35,300 words) Contains sexual explicit content (m/f)
