

Lucky Streak (Lucky Trilogy)

Long ago, a witch proclaimed an eternal curse that every Corwin male who married for love would be destined to lose his woman and his fortune. When Mike Corwin awakens after some wild partying in Vegas \$100,000 richer and married to Amber, the gorgeous woman he met the night before, he thinks he's hit the jackpot. The bad news is that Amber is a con who takes his money and runs. Seems the family curse has finally hit him. Hard. But to Amber, Mike isn't business as usual. If only she didn't need the money to ensure her father's safety, she might actually have fallen for the intense lawman. Instead, she's forced to betray him. Now Mike's hell-bent on divorce and Amber's on the run but when a twist of fate reunites them, can they turn their run of bad fortune into a lucky streak?
