

Reading American Horizons: U.S. History in a Global Context, Volume I: To 1877

This unique two-volume primary source collection, expertly edited by the authors of American Horizons, provides a diverse set of documents that situate U.S. history within a global context. Covering political, social, and cultural history, the nearly 200 selections--including many visual documents--will spark discussion in the classroom and give students a deeper understanding of America's history. Reading American Horizons includes solid pedagogy, like headnotes and discussion questions, to make the documents more accessible to students. Buy a Bundle to Save a Bundle! Reading American Horizons is just \$10 when packaged with American Horizons. For more information on packaging options or package ISBNs, please contact your Oxford University Press representative or call 800.280.0280.
