

Howling Mad: A paranormal wolf shifter romance (Badlands Book 2)

Wolf shifter Byron is mad, bad and dangerous to know but if lies have put him in a cage, maybe the love of a good woman can set him free. Byron is behind bars in the Dynamic Earth facility for feral shifters, and he's as crazy as they come. When a prison riot gives him the chance to escape, he snatches it along with Naomi Atkins, the daughter of the man who put him there. Naomi knows Byron's trouble, but she soon learns it isn't the Big Bad Wolf who wants to blow her away. It turns out Dynamic Earth has been using its prisoners in sinister experiments, and they'll stop at nothing to get the results they want. With her life on the line, can Naomi learn to trust Byron despite his bad-boy past, his unlikely allies and a family that turns out to be more of a circus than most? ~ A wolf shifter story set in Georgette St. Clair's Badlands universe ~
