

## Return To Paradise: The Narrative of Bruce Bream

An anti-hero in the Jerzy Kosinski tradition, somehow managing to have us accept the unacceptable. Synergistic Monthly Bruce Bream wears genius as if it were a Savile Row suit. Lumens Review Every woman should make this book required reading for any man in her life. Southern Journal of Sexuality Whether we are from Venus, Mars, or some other planet, Return To Paradise has insights on relationships that will bring delight to us all. This tale of a modern-day Candide attempting to create the best of all possible worlds for himself, as well as for those he encounters along the way, takes us entertainingly towards the edge. Once there, the underlying connection with reality draws us back. Combining sexuality with spirituality, Return To Paradise creates a Paradise here on Earth that we all can enjoy.
