

Review of the Mexican War, embracing the causes of the war, the responsibility of its commencement, the purposes of the American government in its prosecution, its benefits and its evils

Review of the Mexican War, embracing the causes of the war, the responsibility of its commencement, the purposes of the American government in its prosecution, its benefits and its evils

This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P. Sloan Foundation. The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format. Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship.
