

## Ribeye the Bullbarian and the Jewel of Baloni

Ribeye is a legendary Bullbarian warrior living in an Iron Age world of long ago. Together, he and his kid brother, eight year old Cubesteak, depart the rolling green pastures of Bullbaria on a quest to find their long lost father Flanksteak. Their journey is perilous: they must battle hoof-to-hoof against cutthroat pirates, and learn to survive amid a Bullbarians worst nightmare... civilization! When the evil wizard Suvlaki develops a major beef against them, the steaks are raised to dangerous heights, as the brothers must struggle not to fall victim to the dark spell of the fabled Jewel of Baloni!
