

Roxbury Place-Name Stories: Facts, Folklore, Fibs

Every place on earth has a name. Never noticed the place-names in your town? Then take a look at these tales; you'll learn some things about where you live. These stories are about a rural Connecticut town settled in the 1700s. Place-names are everywhere—on rivers, roads, brooks, hills, buildings, parks, cemeteries, nature preserves, even rocks. The names are from Englishmen, Indians, plants, animals, battles, the Bible, hell, heroes, celebrities, and just plain folks. Place-names are strange creatures, but they all reveal the history, culture, and eccentricities of people who passed through—even in your town. Rummage around these tales if you're a librarian, historian, geographer, genealogist, traveler, or resident of this planet.
