

## Royally Wicked

Yeah, Im a prince. But Im no prince-effing-charming. Im not looking to make some girls Cinderella fantasy come true. Until I meet her. My Riley. My sexy, sweet little American with a body built for sin. Which is fitting, since were in Las Vegas, Sin City. Where anything can happen. Even a guy like me falling in love--at first sight. Now that I have her in my arms, and in my bed, I have no intention of letting her go. No matter what it takes. She has no idea who I am. She has no idea what I am. She has no idea what Im up to When she finds out the truth, will my princess let me sweep her off her feet, or will she put this knight-in-shining armor through the battle of his life? Warning: This is a short, dirty, over-the-top story of insta-love that may make you throw down your Kindle and do naughty things in the dark. If you want a long read thatll take you all summer to finish and inspire deep, philosophical thoughts try War and Peace. Are you looking for sexy, cheesy insta-love stories thatll make your Kindle melt? Looking for something that wont take a month to read but is satisfying, with a hero who deserves his happily ever after and would never cheat on his woman? Look no further! Alexa Kaye promises to deliver exactly what you want! Short, brimming-to-the-top-with-tropes reads with plenty of sexy times and to-die-for heroes who make sure their women are satisfied...in all ways.
