

Runaway Tomato

For fans of Goodnight, Goodnight Construction Site and Cloudy with a Chance of Meatballs comes an action packed picture book with a sweet surprise. Call in the trucks! When a giant tomato breaks loose at the top of a hill, it takes every tractor, fire engine, and helicopter to stop it. Lincoln Agnew's cool, vintage cartoon style is a perfect match for the high-octane action told in catchy rhyme, culminating in a jam-packed gate-fold spread of the town's Tomato Festival. What will happen when it rains on all those giant seeds? One giant surprise.
