

Rust: A Bad Boy Romance (Courage MC)

Some call me a prick. Others call me a criminal. Turns out Im both. Jackie Rust Blackwood is everything I was warned about and more. Rude, arrogant, and carrying a ton of baggage. Yep, thats him. Everyone told me he was bad news. My own father, the boss of the Hells Wheels, wouldnt do business with the man. I should have listened. Rust is not the man to trust. Hes not the man I should get married to. But I cant stay away. Its the way he handles me. The way he grips his hands around my waist. Even when he mutters those dirty words, I know I should start running. Rust is damaged goods. And I want him to claim every last bit of me.

Rust Theres only one thing in this world I care more about than my crew, and thats beautiful women. But ending up with a woman like Jackie Matthews is not high up on my bucket list. Shes way too innocent and her family is well connected. But shes one of the little guys. Shes too kind-hearted. I should have left her alone. But when I have a taste of something sweet, chances are Ill be back for more. Someone should have warned her about a guy like me. Now shes mine.
