

Rasafrats: The Beginning (Rasafrats Series) (Volume 1)

Three boys come across a strange creature when exploring an old abandoned cave. While trying to keep their new-found friend a secret, they set off on an adventure they won't soon forget. They are on their way to take Rasafrats back to the cave one afternoon when a loud voice bellows through the trees, scaring the boys half to death and sending Rasafrats flying off back to the cave. They follow Rasafrats but within minutes come racing out of the cave soon realizing that they may never see Rasafrats again.
