

One of the Nine

What if you were dying piece by piece as your body betrayed you? What would you be willing to do? How far would you be willing to go if your friends and family were afraid of you? How far would you travel in hopes of finding a cure? When Micah finds he has a dreaded disease, he is exiled from his family, his friends, his land, and all he holds dear, doomed to wander until he dies. When he hears of someone who might help him, he begins his search. He wants his life back
