

The Canadian Controversy: Its Origin, Nature, and Merits (Classic Reprint)

Excerpt from The Canadian Controversy: Its Origin, Nature, and Merits I only do not subscribe my name to this publication, because I believe the better usage is rather the other way; but I may be permitted to say, that I have no more desire to conceal than to obtrude myself. That I have had some occasion to make myself acquainted with the Canadian controversy, and some opportunity to obtain a local and rather intimate personal knowledge of men and things in the province, the following page will, I hope, be not without evidence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
