

Blue Belle (Wildflowers of Scotland Book 3)

Isabelle doesn't want to be found. Michael doesn't want to be found out. When Damon starts searching for the centuries-old gold he thinks is buried at Tobermory Bay, it won't matter what walls they are hiding behind. Rocks will fall. Castles will crumble. No secret will be safe. Age-old castles and blue-watered bays; white sandy beaches and quaint cottage stays; a rainbow of colors, and chocolates hand-dipped; a valley of bluebells, and sheep freshly clipped. Legends galore, buried treasure and more . . . in Tobermory, Scotland, that's what's in store.
