

Second Time Around (Forever Fan)

In need of some fun, recent divorcee, Shelby Powell, allows her best friend to whisk her away to see their all-time favorite singing group, Boys from the Block, in concert. What neither of them expects is for bad boy band-member, Dean Walden, to show a romantic interest in Shelby. Balancing single motherhood, with her feelings for Dean, Shelby hesitates to allow her heart full reign. However, with every encounter they share, that challenge grows more difficult to sustain. Dean Walden can have his pick of woman, so why does he want this woman-next-door fan? And, more importantly, how is he going to prove that he won't leave her brokenhearted in the aftermath of their fantasy-meets-reality romance?
