

Selections From the Devotional Writings of Madame De La Mothe-Guyon (Classic Reprint)

Excerpt from Selections From the Devotional Writings of Madame De La Mothe-Guyon These selections from the writings of Madame Guyon are necessarily limited to such of her works as were accessible to me. Among them, happily, are those most important to fully meet the purpose of this small volume; namely, to present, in concise form, her teaching on some of the practical and doctrinal phases of Christianity. At the same time the aim throughout this entire work has been to furnish the reader with wholesome food for meditation during the Quiet Hour, and with fuel to rekindle the dying embers on the altar of devotion. How well I have succeeded in the selection and compilation and arrangement of the matter, with the above thought in view, I must let the reader determine. The writings of Madame Guyon consist of forty volumes, only a few of which are now in print. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
