

Classification of Internet Men (in Russian) (Russian Edition)

This is an excellent book for women who have already begun their searching for the best man in the Internet, and for those who are going to start online dating also. For the first ones, this book allows you to summarize quickly and organize your experience, to work on the bugs and to move towards your happiness progressively. For the second ones, this book helps them to not make the usual mistakes at the start of the dating. The author has already done it all. They will be able to use in their life the systematized experience of Marina Garmash and to avoid most of the dating pitfalls. The light and upbeat style of presentation in which the book is written and the real examples from actual online dating will certainly aid you in finding strength and confidence as a result!
