

## Legacy: Testimonies of Faith, Hope and Love.: Testimonies of Faith, Hope and Love.

Monique lived a short life in terms of human comprehension. During the years of Monique's life, through the love of Christ, she was a revolutionizing force in the lives of so many people. She established a legacy that would continue forth, for generations to come. Monique always considered the welfare and needs of others, before she considered her own needs, hopes or dreams. In a Monique kind of way she shared with others, the love of Jesus Christ and the hope of his glory. Monique was an ambassador to Christ. She was a beacon to many, and a lamp to the feet of those who may have never thought of, or had an opportunity to know Jesus Christ. In retrospect, through her passing, Monique left a gift not only to her parents and family but to anyone who would have a heart to receive this precious gift. This gift is the knowledge that heaven is a real place, that heaven truly exists. The loss we endured and possibly the loss you may feel today, is temporary. For all those in Christ, with the shout of a mighty trumpet, will be taken up into the clouds, to be reunited with their loved ones. We would like to share with you one final reality. When our numbered days are over, life only begins, for our loved ones who have passed in Christ, they no longer represent our memories nor do they represent our past, but they represent our future, our eternity.
