

# Silicone Resins and Their Combinations

After completing his chemistry studies in Krefeld/ Germany, Wernfried Heilen started working for Wulfin (PPG) in 1977, in the R&D Department for Industrial Coatings. After moving to Byk Chemie, he assumed responsibility as Product Manager for various product groups. In 1983 he joined Goldschmidt as Head of Technical Service for Additives and, at a later stage, for silicone resins as well. He has been Director of Technical Marketing Department in the Degussa Business Line Tego Coatings & Ink Additives since 2001.
