

Single Father (Silhouette Special Edition)

Bachelor father Seth Hardy refused to let his teenage son make the same mistakes he had- especially where a pretty face was concerned. But when Taylor cantrell turned up at their Alaskan lodge, supposedly to make peace with her estranged, ailing grandfather, Seth knew his son would get a lesson in lies. And that he himself was about to face the truth of his undeniable attraction. Taylor expected Alaska to be chilly, but the cold place in Seths heart and his stormy gray eyes sent shivers up her spine. Yet the rugged pilots fierce protection of those he loved filled her with warmth, and Taylor hoped that the dear old man shed been long denied and the father and son shed come to love would welcome her into their forever family.
