

Saving Money: The Mom Way

Everyone wants to save money or even make a little money from home but sometimes we just don't know how to do that. It seems easy, right? Especially as a Stay Home Mom, where we are the shoppers, for years I felt like my Husband was making the money and I was spending it. Not necessarily on things we didn't need but spending it still the same. Over the years, I've come up with several different ways to save money and even MAKE money right from my kitchen table. I had years of learning to coupon that saved our family hundreds in grocery expenses every month all the way to blogging full time from home that makes our family thousands every month. I feel like almost anyone can not just save their family money with implementing a few easy tips but even make a full time income from home if you really put some effort in.
