

Sleeping with Strangers (Gideon Series)

A powerful hit man, Gideon is the master of the game in a jet-setting world dominated by money, women, and violence. Living off the grid, making love on the run, he makes his living as a contract killer by enacting the revenge of the brokenhearted for a price. One woman taught him to kill, another motivates him to succeed in the business of revenge. If he can amass a million dollars, the woman he desires has promised to run away with him. For her sake, Gideon takes a high-profile job that earns him dangerous enemies, and hops a plane to London hoping to escape the aftermath. On the plane he meets two mysterious women? have they been sent to bring him down? Have his past transgressions caught up with him at last? Or will one of these strangers help him choose a life of love over a life of violence? In this underworld of grifters and killers, brokenhearted squares and streetwalkers, loyal fans will spot some familiar faces from Dickey's previous books. A thrilling ride through extremes of love and danger, *Sleeping with Strangers* thrives on the darker passions of revenge and desire. Don't miss the sequel: *Waking with Enemies*
