

Their Little Christmas Miracle

Anna and Sam Kearneys marriage was blissful until the baby they longed for never came along. Anna pushed her beloved Sam away, believing that he should find someone who could give him the family he always wanted. Now Sam is back, convinced that he and Anna belong together. Working alongside Sam, Anna is reminded how deeply he cares not only for his tiny patients, but also about her. As they are brought together in the aftermath of a Christmas Eve emergency Anna finally realizes they are meant to be together after all having conceived their very own little Christmas miracle.
