

Solo Power

Jeremiah 29:11 (KJV) For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end. Solo Power is a journey for all who have done or thought anything independently. If you have acted with no thought of GOD, parent, friend, spouse or anyone you may be answerable to at the time or who may be impacted by your actions- read this book. This book will take you from where we all have been and some may still be to the place where we need to be- dependent. Take the trip to discover the cost of your worth and the plans that included you before you were ever born.
