

Love at my Fingertips: A Romance

This book has it all-Mystery, Murder, and Romance! The romance that begins with an erotic Internet correspondence will lead you irresistibly into a story of lust, suspense, love and intrigue. The reader may ask, is the author writing about herself? Jean Dion, in fact, is a fictional name in so far as the book, too, might be seen as a wish-fulfillment fantasy. How many times have we dreamt of being involved in something breathtaking and exciting? You will be irresistibly enticed into this story through the graphic detail and the irrepressible yearnings of the heroine for true love-and by the intrigue and mystery that follows. You will fall in love with the two main characters. You will want their love to grow and grow! And the more who read this book, the stronger the romance will become between two people from different worlds and different cultures. The authors characters come alive, but are the two lovers real? You decide!
