

Spirit Hunger: Filling Our Deep Longing to Connect with God

In this six-session video-based study, author and speaker Gari Meacham identifies the path we share as we struggle to engage God in prayer and belief. Here, your hearts desire to engage God is unwrapped, and lesser loves are stripped away, until a unique fragrance of God's scent that has either never been unveiled or has been ignored is exposed in your heart. Meacham writes, With the authenticity of my own life stories—marriage to a professional baseball player, struggles with severe food bondage, and a father who was a quadriplegic—I came to the crisp realization that my prayer life and my level of belief needed to match. Spirit Hunger provides a clear path toward matching these heart cries—leading away from crumbs and counterfeit, to a hungering for God. Meacham offers a fresh look on the topic of prayer that will help you move past longings to settle a place where you can authentically engage God.
