

Micks Roads

Everyone walks many different roads in this life. Some lead to happiness and some lead to disappointment. Mick O'Reilly has been down both. His first marriage ended tragically and his new wife, Halle, is an amazing woman. But Mick has stumbled on to someone whom he feels, deep within his soul, is his true love. His mind is surrounded with her. His heart aches to feel her touch. Journey with Mick on his quest to find Mia. Experience his dreams, his past and his life as a security guard and musician. See a place that is slightly different from the world we live in today. See if Mick will find the true love he seeks. What it will be like if he does and if it will bring him happiness, or disappointment. Note : There are some graphic descriptions not suitable for all readers.
