

Stand-In Groom

They met in the middle of a Boston street mugging. By the time Johnny Anziano helped rescue the new shop-owner on the block, he'd fallen completely in love. But it seemed like the romance was over before it even started. Because in less than a week, Chelsea Spencer was getting married. Then she asked Johnny for a favor that left the aspiring restaurateur reeling a business proposition a man would be a fool to accept and a damn fool not to. But the rules of the erotic game they were playing were dangerously shifting with every touch, every glance. Until it was no longer a game at all and winning meant risking everything.
