

## Stealing the Golden Dream (A Jordan Welsh & Eddie Marino Novel Book 2)

Scottsdale PIs Jordan Welsh and Eddie Marino of Shea Investigations are hired by the Arizona Heritage Museum to guard the multimillion-dollar Dahlenega Golden Dream Coin Collection. When the collection is stolen out from under them and a loved and trusted colleague is murdered, it's a strike at the very heart of the agency. Eddie has been set up to take the fall for both crimes, so their first order of business is to clear his name. Not only is Eddie's freedom at stake, but their business is on the line. In fact their very lives, as well as those of their loved ones, are in deadly peril. It soon becomes clear that Eddie has been targeted because of his former association with the mob. How far over to the dark side is Jordan Welsh, society girl, willing to go to save her lover Eddie from the echoes of his criminal past? Stealing the Golden Dream is the second book in the Jordan Welsh & Eddie Marino series, which began with Stealing the Moon & Stars.
