

Stop Feeling Sorry For Yourself. BE A WOMAN!: The modern womans guide to what to look out for on her quest for true love...

Stop Feeling Sorry For Yourself. BE A WOMAN! is an insightful quick read about the real issues that women from all walks of life encounter on their quest for true love. Based on Christian values, you are taken on a journey through realistic scenarios of the various lives of women today from the successful power lady to the one who gives too much. It also touches on how using our female strengths at the best level can play an integral part in achieving what we want from life! Blessing Platinum wrote this book coming from a honest place. She at a time felt like she was not good enough and not worthy of love because of her life experiences. Blessing also shares how she overcame this by stepping into a new her with great faith that her future was full of love and happiness.
