

UNDERSTANDING HOW THE PIECES FIT: UNDERSTANDING THE 12 USEFUL MANAGEMENT CONCEPTS FOR YOUR SUCCESS

Bills new guide addresses many important issues affecting today's business owners and managers in developing personal understandings of their business thinking processes. Bills Guides prove an excellent self-help tool, assisting business owners and managers in achieving powerful, sustainable opportunities and to experience management successes. By comparing your present thinking with the twelve business concepts examined within the guide, you will quickly discover whole sets of new ideas and effective, dynamic, practical understandings and tools for developing sustainable winning-team strategies. Good management is the outcome of training and application, managers and leaders are developed not born. Your personal success is now in your own hands. Will you take positive step to use the guide to more quickly understand issues and achieve your goals? Excellent delivery of management and leadership is the outcome of constant training and application. Managers and leaders are developed not born. Your personal success is now in your own hands, will you take a positive step and use the guide to more quickly understand management conceptual issues and take steps to achieve your higher management goals? Bills new guide is solely created to challenge your thinking and holds a sharp focus on the many important conceptual and action issues that affect owners and managers in their ongoing journey. The concepts described are useful for developing insights and understandings of their own personal business thinking processes. The letters W.I.I.F.M. in the heading should actually read, W.I.I.F.Y., Whats In It For YOU, because that's the sole purpose of the guide. We have created this interesting tool for helping YOU create and sustain new levels of management comfort, confidence and competence in today's business world. The guide provides an exclusive opportunity to

test critical elements of your own management thinking against recognized and experienced management thinking. Management concepts examined in the guide delivers ways to help you compare your present thinking against the twelve business concepts chosen. In comparing your own thinking, you will quickly create whole sets of useful new ideas and effective, dynamic, practical understandings for sustainable strategies. The guide has created an excellent self-help tool comparing your present conceptual thinking with an alternative perspective for assisting business owners and managers to confidently create powerful, sustainable opportunities and to experience more and greater management successes. Always remember..... Confidence is the conqueror of men; victorious both over them and in them; the iron will of one stout heart shall make a thousand quail. A feeble dwarf, dauntlessly resolved, will be able to turn the tide of battle and rally to a nobler strife the giants that had fled. Tupper - Proverbial Philosophy of Faith. L. 11.
